The Inner Sunset Flea is a project of

Dear friend,

This is an exciting time. Following a wildly popular inaugural season in 2017 the Inner Sunset Flea is entering its second year as a monthly event. And in 2018, due to popular demand, we're adding an extra date in November for a total of 7 events. We would be honored to have you on board as a sponsor for this year's season.

Our first year as a monthly event in 2017 was more successful than we could have ever hoped. An estimated 9,000 people from across the Bay Area attended the events, including local neighbors, flocks of children, and regional collectors and enthusiasts. Vendors packed the street, offering a dazzling array of treasures from rare comic books and antique chests to bargains unearthed from residents' garages. The results earned wide coverage in newspapers, international travel websites, and across all forms of social media, as well as consistently positive word of mouth in the community and at local businesses. Since the 2017 season ended, we've been barraged with requests for the next season and we're only too happy to comply!

As the Flea solidifies its position as one of the Bay Area's most exciting street events so will we be offering our supporters an even more exciting sponsorship package this year. Our sponsorship program will expose your brand to our growing number of attendees, our full suite of social media platforms, newspaper ads, posters and flyers distributed throughout the Bay Area, and much more. As the Flea grows, we're committed to keeping this by the community for the community, creating the perfect opportunity for you to align your brand with the events' grassroots spirit.

Read on to find out more about this year's Inner Sunset Flea sponsorship program. As always, we're happy to tailor the package for your specific needs and to help manifest your ideas for how you'd like to participate in the events. Feel free to contact me with any questions or to discuss further.

Thank you for your time and I hope to see you at the 2018 Inner Sunset Flea.

Sincerely,

Angie Petitt-Taylor
Chair, Inner Sunset Flea
